Welcome to the Maldives

Welcome to the Maldives, the Sunny Side of Life, your dream tropical destination where the sun awaits to embrace you just as warmly as the Maldivian hospitality. The islands of Maldives, in the heart of the Indian Ocean, form a double chain of 26 atolls comprising 1192 coral islands surrounded by mesmerising reefs.

Maldivian oceans are home to over 2000 diverse species of marine life ranging from healthy populations of dolphins, sea turtles, manta rays and whale sharks. Though a vast majority of the country is fluent in English, Dhivehi, the native language unique to us with various dialects, is the mother tongue of the Maldivians. The tourism industry which began in 1972 now boasts over 175 resorts, 3 yacht marinas, 13 hotels, 161 liveaboards, and 910 guesthouses. Each accommodation option comes with its own unique features. Experience the serenity and excitement in the Maldives while you explore and take in everything the alluring islands have to offer.

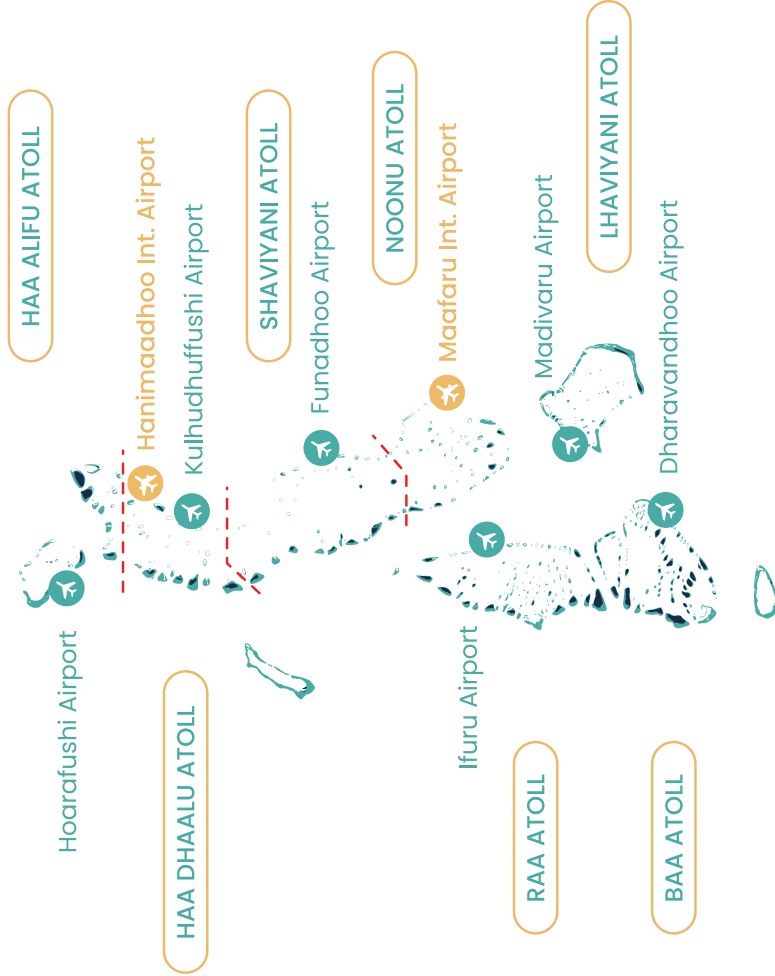

Your next island sanctuary is waiting in the Maldives... the Sunny Side of Life.

AIRPORTS

Since the Maldives is one of the most dispersed countries in the world, air travel is essential for the daily lives of locals. It is also the preferred mode of transportation for visitors to the nation.

Four international and 14 domestic airports are located along the length of the archipelago, however Velana International Airport serves as the main entry point to the Maldives. Upon arrival in the Maldives, board a plane to your chosen location. The journey is what matters, and this one will probably be the most beautiful.

Resorts

A holistic vacation is one which caters to all trends and segments of tourism. Maldives is renowned as a destination with over a hundred resorts able to cater to all types of clientele. But one thing common about all resorts in the Maldives, unique to us: the one-island-one-resort concept.

Each individual resort is on its own uninhabited island. This means every resort in the Maldives, regardless of which one you prefer, is secluded from the rest of the islands, the cities, and the local community. Maldivian resorts provide the utmost privacy and seclusion for honeymooners, solo getaways or even families looking for bonding time in a completely safe space away from the hustle and bustle of crowds.

Hotels

Hotels in the Maldives are a perfect meld of luxury, convenience and comfort. Our hotels are all located in and near major cities, with close and easy access to international airports, business hubs, and professional service centres. At the same time, our hotels are also within close proximity to leisure activities, and are usually just a few steps away from a delightful sun-kissed beach.

Hotels are curated to provide the utmost convenience and comfort to business travellers. You will find all the amenities required for a business trip, like easy access to necessities like WiFi, commodious accommodations, and jaw-dropping skylscapes of palm trees, beaches and turquoise waters. For solo business travellers, sitting on a balcony overlooking the horizon can be a tremendously inspirational setting, and you will find your professional acumen is at a new level when surrounded by the comfort and luxury that we have to offer.

Liveaboards

What's better than taking a cruise through the islands of the Maldives, stopping at interesting islands, picnicking on sandbanks, fishing and diving whenever you please? By making that a private cruise!

If the vacation of your dreams is to be pampered with luxury with a bit of adventure on the side, this is the perfect option for you. And the best thing? Liveaboards provide you with the ultimate privacy. Smaller liveaboards will only accommodate one group/couple at a time while larger ones limit the number of people who can stay onboard as well.
